To avoid the B3110 from the South: (A36)

There is a 7.5 ton weight limit along the whole length of the B3110 from the A36 at Woolverton to the South, through Norton St Philip, Hinton Charterhouse, and Midford, leading into Bath. There is also a bridge height restriction of 12 feet at Midford. This route is often used as a short cut to avoid Bath to access Bristol. The correct HGV route is to follow the A36 to Bath and then the A4 to Bristol and visa-versa.
