1 AutoSpeedWatch demo given by DL using data printouts. Suggestion was made to repeat demo for TAG2 members and PC using live website, perhaps in Palairt Hall.

2 Suggestion for collaboration on AutoSpeedWatch between NSP and Faulkland. IB to approach Faulkland PC re joint approach to speed limit reduction on A366 between villages.

3 DL offered to provide data he has collected on speed and numbers of vehicles through NSP.

4 Rex Eastment has offered to continue moving the SID. We need more volunteers to be trained as existing team are no longer TAG members.

Apologies

5 Community SpeedWatch: AB, CN and AN have passed their tests and will soon train for CSW sessions. A manual is now available and held by DL.

6 Parish News 'Lorry Watch' article: an update will be posted to advise villagers to copy emails to TAG and to refer transport managers to TAG for further action.

7 A meeting has been arranged between Sara Davis at SCC Highways, Rex Eastment, JK, MW, VF, Catriona Murfitt (Parish Cllr and Farleigh Hungerford resident). Various discussion points will be raised including speed control measures in and around Farleigh Hungerford.

Next meeting: 7pm on Tuesday 16 May in the Dungeon Bar, George Inn, NSP
