We completed three CSW sessions in each month which is slightly below my target, but still good. Thank you!

The 'BRAKE' Road Safety Week runs from 16 - 22 November

It would make sense if we could arrange our November CSW sessions during that period if possible.

More information about the week can be found at their website:

I have received numerous email messages from Ashley over the last month. He is very happy because he has been given a few awards, I have copied his comments below:

"Fortunately, back in the summer, I was given a police award for A&S volunteer of the year and awards, which I said at the time, are dedicated to ALL within CSW . It's not about awards, it's about getting more support for CSW.

Last weekend, the South West regional police awards we held in Bristol 7 categories of police awards from Dorset, Cornwall, Wiltshire, Devon, Avon & Somerset, and British transport police. Some 35 nominees. Avon and Somerset picked up 3 of the awards, and I was most fortunate to be awarded the police volunteer of the year. The last thing the Chief Constable said to me on Sunday was, 'Be sure to give my thanks to your CSW teams in Mendip, we are absolutely delighted with them.'

It is good to know the Mendip CSW teams are appreciated.

David.
